

2024 Adams, Lawrence, Pike Camp

The 2024 Adams, Lawrence, and Pike 4-H Camp will be held June 3-6 at the Canter's Cave 4-H Camp in Jackson, OH.
"Canter's 4-H Camp-O-Saurus"

Camp Registration

Monday, June 3, 1:00p.m.-2:00p.m.

All campers should arrive during the designated registration times. There will be no early registration or supervision for campers brought to camp early.

Once you enter camp you will be directed to either the driveway for Harrison Powell (girls) or Foundation Lodge (boys) to drop off your camper. Counselors will be on hand to help them get their things into the cabin and get settled.

Late Campers: Please let your 4-H Professional know if a camper is going to be late and the approximate arrival time. You can also notify camp at 740-286-4058.

Camp Departure

Thursday, June 6, 9:00a.m.

Main Lodge

Parents may pick up campers by signing them out at the main lodge after 9:00a.m. All campers need to be picked up no later than 9:30a.m.

Please note: For the safety of our campers, they must be signed out to a parent or another adult with written permission. Once at camp, campers are expected to remain at camp unless signed out by a parent or designated person with written permission. Restricted release forms are available upon request.

Health Concerns

Please help us keep our camp safe and the camp experience enjoyable for all.

Prior to Camp: All health forms will be sent to you prior to camp and must be complete and turned in by arrival. Please indicate any special dietary needs or other special accommodations on your pre-camp registration form so the Camp Director and Nurse can plan in advance.

Arrival at Camp: Each camper will see the Camp Nurse. Please discuss any special health concerns with the Nurse, and make sure your campers are prepared to follow the necessary health care they may need. ALL medications must be in original containers and given to the Nurse at check-in. **Please only send enough medication for the duration of camp.** Campers, counselors and staff will have their temperature checked upon arrival. Anyone found to have a fever will be rechecked by the Camp Nurse. It is at the Nurse's discretion if they are allowed to remain at camp. If sent home, they may return to camp if their temperature returns to normal for 24 hours. There may also be a head lice check. Persons found to have lice will not be permitted to remain at camp.

During Camp: We have a Nurse who will be onsite throughout camp. The Nurse will administer medications and handle any issues that may arise, including contacting you if there are any questions.

Canteen

The Canteen is our camp store. It will be open during registration and checkout for parent's convenience. Snacks and drinks are also available during the week from the canteen. \$10-15 should be more than enough to cover any needs or wants your child may have at camp. There is a Camp Bank for Camp. Your child may deposit money in the bank and take it out during designated times. *Camp is not responsible for lost or stolen money or for camp apparel found with no name.*

What to Bring

For Sleeping: A sleeping bag, or two or three blankets (nights are cool), twin sheet and a pillow.

Personal items: soap, toothpaste, tooth brush, brush/comb, shampoo, bath towels, shower shoes, deodorant, bug spray, sunscreen, beach towel.

Clothing: Bring everyday comfortable outdoor clothes. Please do not send clothes that can't get dirty. Two pairs of comfortable shoes, socks, underwear, swimsuit, sweatshirt/jacket etc. for cool evenings.

- At least one pair of shoes should be tennis shoes. Sometimes shoes get wet. Please be sure your child has more than one pair of shoes. *Flip flops are NOT appropriate for outdoor activities because of safety.*
- One-piece swim suits are preferred for girls; however, two piece suits are acceptable as long as modesty of the wearer is observed. No string bikinis or suits that fasten only with a tie will be allowed. (If the Camp Director deems a suit to be unacceptable, a T-shirt will be required for swimming, per camp policy.)

Misc items: small flash light, disposable/inexpensive camera, water bottle, dirty clothes bag, rain gear, radio/mp3 player, book, watch.

What NOT to Bring

NO tobacco products, alcoholic beverages, knives or firearms, refrigerators, computer equipment, i-pods, cell phones, tablets, Wi-Fi/Internet capable devices, fireworks, or lighters may be brought to camp. Please refer to the Informed Consent/Camp Program Release and Standards of Behavior for Minor Participants for more information on what not to bring and policies for non-compliance.

Due to allergies: this is a peanut free camp. Other items may be added to the list based on results of health forms.

Strongly Discouraged Items

Lots of extra food in the cabins (this invites furry friends and critters to visit), anything of high value. *Camp is not responsible for lost or damaged personal belongings.* Please label your camper's personal belongings.

- It is also recommended you and your child pack for camp together. This helps them know what they brought to camp and also what they should come home with.

In Case of Emergency

You may call camp at 740-286-4058 and ask for Rachael Fraley or Kristy Watters, Camp Program Directors. Prior to camp, please feel free to contact your local Extension Office with questions.

**Please remember that by registering for camp, the camper is agreeing to follow all camp policies and guidelines.
