

ADAMS COUNTY EQUINE HEALTH REQUIREMENTS

Due at Equine Registration, May 14, 2022 9am – 12pm

Listed below are the vaccination requirements that each 4-H/FFA equine project must have prior to the equine entering the Adams County Fairgrounds and exhibiting the equine at the Adams County Fair. This requirement is designed to protect your equine, as well as others, from contagious diseases.

There are other vaccines that might be advisable, as well as boosters for those listed below. Please ask your veterinarian for their recommendation. Information on vaccinations, disease, and worming is contained in Project Book 4-H 174 Beginning Horse Management.

Member's Name: _____

Address: _____

City: _____ State: _____ Zip: _____

Home Phone: _____ Cell Phone: _____

Name of Equine # 1: _____

Vaccination

Date Administered
