Kids College Evaluation - 2016

To what extent do you believe that Kids College met each of its objectives?

1. Participating in Kids College helped me learn about project completion and pre-fair judging requirements for my non-livestock project(s):

<table>
<thead>
<tr>
<th>Extent</th>
<th>Great</th>
<th>Some</th>
<th>Limited</th>
<th>Not at all</th>
<th>NA</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>18</td>
<td>4</td>
<td>2</td>
<td>1</td>
<td>5</td>
</tr>
</tbody>
</table>

2. Participating in Kids College helped me learn new skills and knowledge:

<table>
<thead>
<tr>
<th>Extent</th>
<th>Great</th>
<th>Some</th>
<th>Limited</th>
<th>Not at all</th>
<th>NA</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>24</td>
<td>5</td>
<td>1</td>

<td>1</td>
</tr>
</tbody>
</table>

3. Participating in Kids College helped me meet and get to know 4-H members, teens, and advisors from other Adams County 4-H Clubs:

<table>
<thead>
<tr>
<th>Extent</th>
<th>Great</th>
<th>Some</th>
<th>Limited</th>
<th>Not at all</th>
<th>NA</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>20</td>
<td>7</td>
<td>3</td>
<td></td>
<td>1</td>
</tr>
</tbody>
</table>

4. Participating in Kids College helped me learn about opportunities in 4-H beyond the club:

<table>
<thead>
<tr>
<th>Extent</th>
<th>Great</th>
<th>Some</th>
<th>Limited</th>
<th>Not at all</th>
<th>NA</th>
</tr>
</thead>
<tbody>
<tr>

</tr>
</tbody>
</table>

What would you say was the best thing about Kids College?

Crochet class
Learning new things I didn’t know
Cake decorating and recess
The delicious food
Photography 101
I think Photography 101 was very good because the teacher was funny
Photography 101
Having fun, doing stuff with other kids
Learning how to crochet
I would say the activities
Meeting new people
Dr. Bob
Making my own pages in Scrapbooking
Vet class
Dr. Bob
The best thing about Kid's College is when we built "roller coasters" in Dr. Bob's class
Dr. Bob science class
Getting to see my friends
Cake decorating
I love everything
Cake Decorating
Cake Decorating
Learning things new that I don't have to do as a project
You get to do new stuff
When you got to eat
Fishing
The food and going outside and the fun
Fishing, but I almost caught a fish
Recess
Meeting new kids/advisors

I would recommend Kids College to others:

Because it's fun
Because they can learn things they never done
Because it is a fun experience
Because it was fun
Because it's awesome
Yes, because they should come because it's fun
Because it's awesome
Because it's a learning experience getting to attend whether you're doing the project or not
Because you learn a lot
So other people can learn about 4-H
It is a fun place to learn while having fun
Because I had fun and learned a lot
I would because you get fed, you make new friends and you have fun.
Because it is awesome
It's fun
I would because it is very fun and exciting
It's very fun
You learn new things and see what projects you might want to take
Yes, I would do it
Because it's fun
Because I want to have a good friend here and they would have lots of fun
You learn new things
Get to do fun stuff
Because you play games and eat
I would because it is awesome
It is fun and you get to meet new people
Because kids college is fun
It was fun
It was really really fun

What could we do to make next year's Kids College even better:
A baking class
Baking class
Have more things to eat
Have 3 classes instead of 2
Have Jase Briker to teach photography next year PLEASE!
Ask more people to join in
Have Jase Briker to teach photography next year PLEASE!
Keep it the same
The art class and cake decorating
More in the arts or certainly science
Have more time of each class
Don't have speeches after lunch
Better food
Dogs 101 & more time
More things to eat and archery
Add more stuff
Really nothing
More time at recess
More class time
To shoot semi-automatic pistol
Play games longer
Make the classes longer for more fun
Do market animals
Tag
Rabbits 101
