STEM Camp

This camp has everything you love about 4-H camp... with a spin on science and math! It offers many activities involving science, technology, engineering and mathematics.

At STEM Camp, participants:

1. Engage in hands-on exploration of STEM and how it relates to one or more of the following: robotics, animal science, rockets, natural science, or food science
2. Learn about related careers and educational requirements
3. Grow both as individuals and as team members
4. Explore how STEM is a component of nearly every 4-H project
5. Develop and practice communication skills
6. Learn how STEM applies in the real world
7. Have fun!

Cloverbud Overnight Camp

Cloverbud Overnight Camp is a great way to introduce younger kids to camp!

With all the fun of regular camp, but only one night.

Traditional 4-H Camp

For those who want a more traditional camp experience, there are 3 different camps divided by age (Beginner, Junior High, and Teen). Every year, camp has a new, fun theme.

Fun and Games!

- Fishing and boating
- Hiking
- Swimming
- Archery
- Singing and dancing
- Campfires
- High ropes (junior high and teen camp)
- And many more exciting activities!

Life-long Friends!

Though camp and other 4-H opportunities,
you can make many great friends!

Register for 4-H Camp

- ▶ Camp Registration Forms for Beginner, Junior High, and Teen Camps are due by your county deadline.
- ▶ Camp-specific forms and details will be mailed to all applicants well in advance of the start of camp.
- ▶ Also, there may be camp scholarships available to help you pay for camp! Check with your local Extension Office for details and deadlines.
- ▶ All camp registration forms and scholarship applications will be available soon on the county Extension Office website.

Thank you!

Are there any questions?

Thank you for watching this presentation.

We hope that you will join us at camp and discover yourself in 4-H!
